- November 21-23 Thanksgiving break

Fall

I hope you are enjoying this beautiful Fall weather as much as I am. There is much to look forward to in each day, from the upcoming Fall Festival to Lego Robotics to the fitness projects we are working on.

We are working hard to make sure your children are progressing and not “Fall”ing behind. Grade 3-8 parents, please check their progress at home with progress reports or the online gradebook. If you have questions, please contact the teacher.

Thank you! *David Gage*

Nez Perce County Fair

On Thursday, September 20, Beacon students spent the morning at the Nez Perce County Fair. Here are the impressions of a few of our students:

Macy (kindergarten): I liked getting jelly beans and a Bible book. I learned about firemen and got a fire hat.

Michael (grade 1): I went on the rides and saw lots of animals. I liked the pigs the best.

Isaac (grade 4): My favorite part was the peacocks. I learned about animals and how to make a dog out of balloons.

Saylor (grade 4): I liked my angel face paint.

Brandie (grade 7): I really liked all the stands in the main building that could educate you about water ways, for example, and the awesome art section.

Ayden (grade 6): I liked walking around and seeing all the animals, especially the goats.

Some of our students also ran into two former Beacon students, Taylor and Aundrea, who were showing their sheep.
