Prayer Requests

My children worked at a Christian summer camp this past summer, where it is the tradition that all staff and even visitors stop at the gate and say a prayer for God’s blessing and protection on the camp. When we visited, we did, and I saw many ways that God is indeed blessing that camp and its staff.

We don’t have a gate here at Beacon, but we would love to have you pause and pray for our school every time you drive into the parking lot (or even just every day, if you don’t come to Beacon often). We need God’s blessing and protection here. And we want you to know we are praying for you, too.

David Gage
