The Gift of Understanding

In our staff worship each day, we've been reading about prayer, and the other day, I came across a prayer I liked. The essence of it was:

“Lord Jesus, grant me the gift of understanding. Help me to understand the feelings, desires, and goals of others. May I also understand my own actions and reactions. Widen my vision to embrace the worlds of others . . . Help me to understand, Lord.”

That just about says it all. May God grant us understanding in all things.
